

UNITED INTERNATIONAL INDIAN SCHOOL

United International Indian School gave a brilliant start to the camp FUN 'N' FROLIC in a grand ceremony organised on 17th March at UIIS Campus. The objective of the spring camp is to provide jovial atmosphere to learn and develop, creative, sports and social skills.

The camp was inaugurated by Ms. Tessy Joel Chairperson of the School. The event also saw the principals of United Indian School.

With exams getting over and vacation round the corner, it's time to mix learning with lots of FUN 'N' FROLIC. Away from the routine of traditional school days' camp is a special place where kids can engage in various activities that they find both enjoyable and meaningful. It also helps them to learn and develop skills, provides an even platform to explore and express their creativity in any form.

Camps are structured opportunity for kids to grow. It allows for confidence to be reinforced by success, creativity and instils appreciation and gratitude. With a highly dedicated staff, students were trained by experts in various sports activities like Basketball, Volleyball, Cricket, Football, Caroms and Chess. Yoga, Aerobics adds vitality to the event. Art activities to develop skills in Painting, Sculpting, Origami, clay moulding and various other art forms.

Performing Arts in the form of Music and Dance was also an important part of the camp, where young dancers reflexed their creative muscles in various styles. Students received important instructions from the music experts in learning the fun aspect of music like, composition, vocal skills and basics of playing instruments.

The tiny tots spent four hours in unique and exciting way with games fun physical activities, dance and music, outdoor activities and learning values like sharing, respecting others in a safe and supportive environment.

Students will enjoy the camp till 28th March 2019.
